

MEDICART  
**INTERNATIONAL**  
LIMITED

---

A MEDICAL **INNOVATIONS** GROUP COMPANY

**Medicart® International** was established in 1997 and has gained an enviable reputation for the design and creation of their custom built range of equipment carts. With an intimate background knowledge in those specialist fields, our design team are able to contribute significantly to the practicality and presentation of our clients products.

**Medicart®** continues to invest heavily into research and development and this investment has resulted in a broad range of custom designed equipment carts and our internationally acclaimed and patented **CleanaScope®** system.

## Turning your ideas . . . into reality

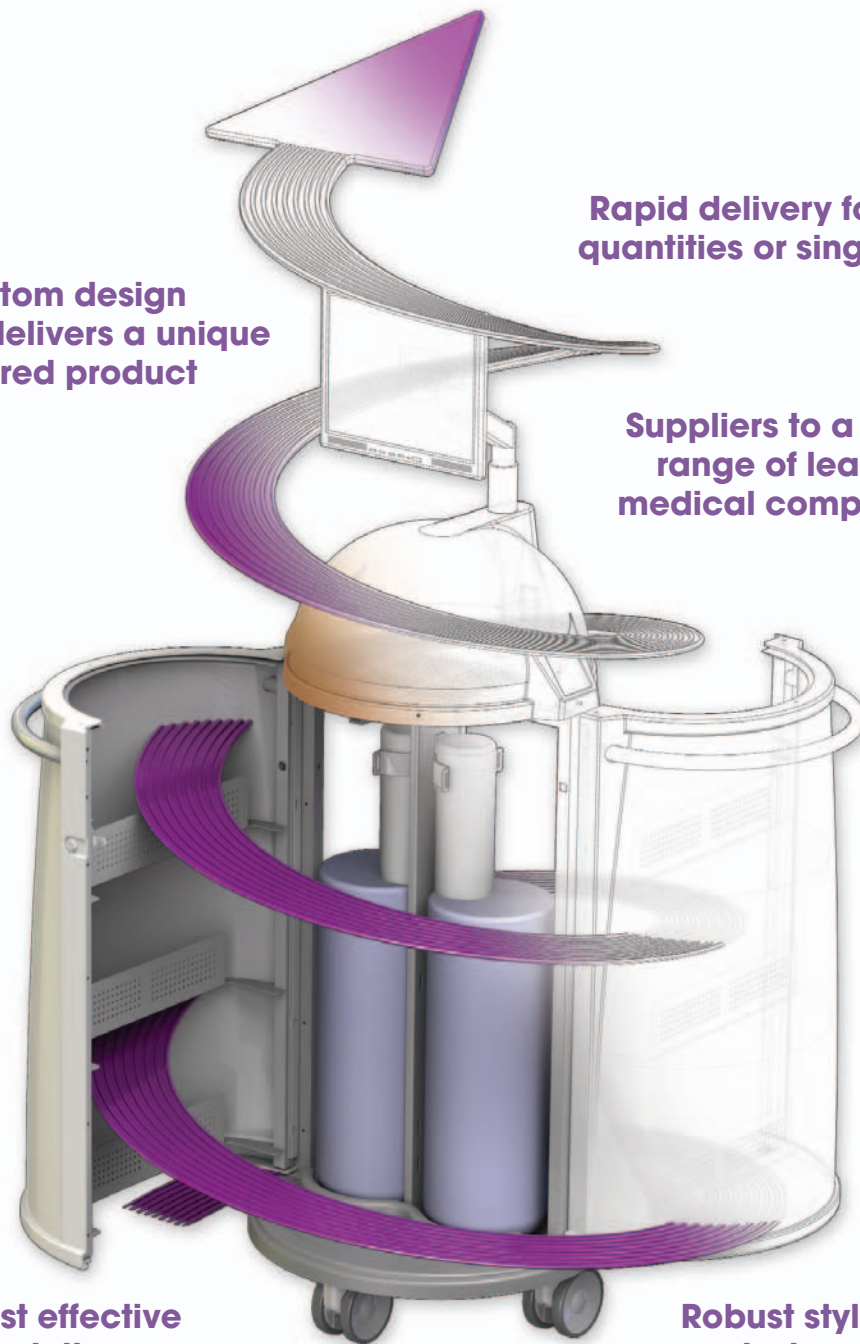

**Custom design  
service delivers a unique  
tailored product**

**Rapid delivery for large  
quantities or single items**

**Suppliers to a wide  
range of leading  
medical companies**

**Cost effective  
solutions**

**Robust stylish  
designs**

Medicart® International is quality approved to: ISO 9001 2000, ISO 13485 2003 and all products are compliant with MDD93/42/EEC.

Our clients include leading companies such as Karl Storz, Pentax, FujiFilm as pictured above along with Smith & Nephew, Stryker and many more.
